International labyrinth aficionados Martin Gregory and Cindy Pavlinac bring their multimedia labyrinth walk extravaganza to Marin. Martin sets the mood for contemplative walking with his keyboard compositions while Cindy's photos of sacred places illuminate hanging silk veils. Cindy will present a brief introduction to labyrinths, then music and images will flow continuously during the evening for our open community labyrinth walk.

Join us for an inspiring evening experience of joyous reawakening and connection. Come to walk the labyrinth, listen to music, watch images, and linger by the labyrinth. Plenty of seating and refreshments available. Families welcome. Celebrate spring with this special local fundraiser for UUCM.
